**PETITION FOR RULE MAKING**

Management Advisory Services, Inc. ("MASI"), hereby submits this petition for rule making ("Petition") to amend Section 73.202 (b) of the Commission's Rules to add Channel 243C, Dededo, Guam. In support hereof, the following is stated.

1. Petitioner proposes the Commission allot FM Channel 286C to Dededo, Guam as its second commercial FM service. This would require amending Section 73.202 (b) of the Commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Dededo, GU	286C	243C, 286C

2. Dededo, is a Census Designated village located in northern Guam and is the most populated village of Guam. In 2000, the United States Census Bureau estimated that Dededo had a population of 42,980 persons.

3. FM channel 243C can be assigned to Dededo in full compliance with the Commission's minimum distance separation requirements without a site restriction.

Coordinates used are 13° 29' 17" N 144° 49' 53" on a hilltop located 4 miles direct line of sight from Dededo. The Preliminary FM Search for Channel 243 / 96.5 MHz indicated 0 FM Records within the FM Preliminary Study distance of 13° 29' 17.00" N, 144° 49' 53.00" E. There are no cochannel, 1<sup>st</sup> adjacent, 2<sup>nd</sup> adjacent or 3<sup>rd</sup> adjacent FM assignments within 310 KM of the proposed transmitter site. There are no FM assignments 53 or 54 channels above or below Channel 243 within 50 KM of the proposed transmitter site.

4. If the Petition is granted, MASI, or an affiliated entity will file an application for Construction Permit to construct and operate a station on Channel 243C, Dededo, Guam, and if granted, expeditiously construct the new facility.

5. WHEREFORE, MASI respectfully submits that is is in the public interest to amend the FM Table of Allotments as proposed herein.

Respectfully submitted,
